"International Allergy and Asthma Update 2005"
on January 1st and 2nd 2005

Announcement

The Departments of Medicine and Pediatrics, JIPMER, Pondicherry are organizing an "International Allergy and Asthma Update 2005" on January 1st and 2nd 2005.

Salient features of the update include:

- Workshop on "Practical Procedures in Allergy Testing" (1st January, 2005) with extensive hands on training in allergy testing and interpretation of the results. The workshop will be conducted by reputed Allergy Specialists from USA and is limited to 25 participants.

- CME on "Recent Advances in the Management of Bronchial Asthma" (2nd January, 2005). The CME includes lecture sessions and panel discussions by reputed International and National faculty on role of environmental factors in the pathogenesis of asthma, non-invasive measurement of inflammation in asthma, critical care issues and recent advances in management including future of immunotherapy, etc.

An innovative aspect of the Update is an essay competition on "Airway Remodeling in Asthma" for postgraduate students. The winner of the competition will get a medal, and the opportunity to present the paper during the CME.
