Practical Approach to Respiratory Diseases with CD ROM

Book Review

Practical Approach to Respiratory Diseases with CD ROM

Editor: VK Arora
Associated Editor: Raksha Arora

Salient Features

- The primary goal of the book shifts from ‘Clinical Medicine and Diagnosis’ to ‘A Cased Based Approach’
- Serves to fulfill the much needed purpose of aiding primary care physicians to take greater responsibility for patients with pulmonary disorders
- A compilation of the experiences and learning of a galaxy of faculties who have contributed to pulmonary medicine
- Strives to link patient complaints to disease and therapy
- Provides the reader with a patient-directed framework from which sound reasoning is explored
